For a more dynamic lifestyle
NEW RODIUS

SYMC 201801 LHD IEurope1 ENGLISH Printed in KOREA

GET MORE OUT OF LIFE WITH THE NEW RODIUS

The New Rodius brings more fun when you're at play and gets more done when you're at work.
It's a true pleasure both to drive and ride in.
Go wherever you want and take along whatever you need in the New Rodius.

A NEW ASSERTIVENESS

The New Rodius is a statement of rugged individualism. The chiseled bonnet character line adds volume to the front, providing a commanding presence and dynamic feel that the typical MPV lacks. The radiator grille is organically linked to the trapezoidal headlamp assembly, illuminated by daytime running lights.

Radiator grille with front view camera

HID headlamp with
LED daytime running light

LED fog lamp

Wide D-pillar

Spoiler with high-mounted stop lamp

Tail lamp assembly

A DISTINCTIVE LOOK

Swing doors all around and a D-pillar set the New Rodius apart from the MPV crowd. You'll fall in love with the distinctive side character line that includes a D-pillar to bring out the luxuriousness of a full-sized vehicle. Wrap-around tail-gate glass and rear quarter glass seamlessly connect the side with the rear and provide the finishing touches to a wide and full-bodied look.

The driver's space comes with the Super-vision cluster, a trip computer, and heated steering wheel grip. The instrument gauges are backlit by high-illumination white LEDs for enhanced legibility, and they are set at the top of the fascia and in the centre so that the driver's eyes remain focused on the road.

Rodius' infotainment system comes with a 7" touchscreen, which supports Apple Carplay and Google Android Auto. System features include Bluetooth connectivity, MP3 player and radio with digital audio broadcasting and real-time broadcast recording function.

Charcoal black interior

DRIVING MADE EASIER, SAFER AND MORE FUN

APPLE CARPLAY AND GOOGLE ANDROID AUTO

Users may connect their smart phone to the display to make phone calls, check messages and listen to music while on the road.

MULTIMEDIA SYSTEM WITH 7" DISPLAY

Bluetooth hands-free and audio functions

Rear view camera

Grand grey interior

MORE COMFORTABLE AND FUNCTIONAL

Ventilation function has been added to the front seats for added refreshment in hot weather, and heating coils are built into the seats for cozier rides in the coldest months of the year. A new seat design ensures maximum comfort and eases fatigue on long trips.

REVOLUTIONARY SEAT DESIGN

The seats have been ergonomically designed, firming up the seat padding around the sides and soft in the centre for greater comfort and physical support.

Ventilated front seats

Heated front seats

Pullmaflex® Seat Design

The seat back and cushions are supported by Pullmaflex, providing greater elasticity for a better seated fit and enhanced comfort. (1st row)

Bigger Bolsters and Cushion

The seatback bolsters have been raised, while the seat cushion has been lengthened and widened. These changes increase seating comfort still more. (1st and 2nd rows)

Longer Armrests

The 2nd-row armrests have been lengthened to allow passengers in back to ride in greater comfort.

Seatback pocket

LOTS OF CARGO ROOM

Your business will blossom with the New Rodius as your workhorse. The spacious interior can carry bigger loads, letting you can get more done faster.

7 SEATER

The seven-seat configuration provides ample room, easy entry and egress, and superior MPV utility. Travel in groups and in maximum comfort.

All seats facing forward (accommodates 7 adults very comfortably)

Front and 2nd-row seats flat (converts into beds for driver and front passenger)

2nd-row seats flat (maximises space for relaxation)

2nd-row seats folded

2nd- and 3rd-row seats flat (maximises space to stretch out)

3rd-row seats folded (increases rear cargo space)

3rd-row seats removed (maximises rear cargo space)

7-SPEED E-TRONIC AUTOMATIC

A built-in AI programme to predict the driver's driving habits and assess vehicular status for optimal gear-shifting performance. The tip switch provides the responsiveness of a manual transmission, while the winter mode enables starts in 2nd gear, preventing slippage on ice or snow.

Manual Mode

7-speed E-Tronic automatic

6-SPEED MANUAL

The wide gear ratio provides more power when starting out and lowers the engine rpm at high speed, for less noise and better fuel efficiency. Self-adjusting technology and concentric slave cylinder extend durability and help to maintain firm pedal force.

Gear shift indicator with 6-speed manual

6-speed manual

ADVANCED TECHNOLOGIES

The Rodius is powered by the Euro 6-compliant SV220 (2.2L diesel), which delivers up to 178ps output, while maximum torque (400Nm) is available from 1,400rpm through 2,800rpm, ensuring great responsiveness whenever needed.

SV220

178ps (130.9kW) 2,157cc

SAFETY A TOP PRIORITY

The New Rodius is equipped with an array of active and passive safety features to keep you and your passenger's safe at all times.

ESP

(Electronic Stability Programme)

The sophisticated Electronic Stability Programme monitors road conditions and vehicular status, ready to adjust engine output and brake force automatically should the driver be in danger of losing control on wet or icy surfaces or in sharp turns at high speed.

TPMS (Tyre Pressure Monitoring System)

The TPMS measures tyre pressure constantly and when abnormality is detected an alert to the driver that reflects the degree of urgency.

PART-TIME 4WD

Part-time 4-wheel drive is simple and offers great drivability. Normally, the vehicle is driven by the rear wheels only, lowering fuel consumption because of the lower rolling resistance. The driver can switch the transaxle to four-wheel drive while the vehicle is in motion whenever additional traction is required.

Double-wishbone suspension up front

Ventilated disc brakes

Impact-absorbing, independent multi-link suspension behind

Ventilated disc brakes

Side airbags are available for the front row, complementing the frontal airbags for added protection from side impacts

PUT MORE INTO YOUR LIFE WITH THE NEW RODIUS

Stellar looks and performance in any setting, both around town and
in the great outdoors.

CONVENIENCE

The New Rodius is complemented by many additional comfort features that ensure time spent in the vehicle is fun and relaxing.

FEATURES LIST

APPEARANCE

HID headlamps with leveling device (25Watt)
Projection headlamps
Chrome coated radiator grille
Plastic blade windscreen wipers
Rear spoiler with high mounted stop lamp
16" steel wheels with 225/65R tyres
16" alloy wheels with 225/65R tyres
18" diamond cutting wheels with 235/55R tyres
18" sputtering wheels with 235/55R tyres
Repair kit
Full size spare tyre
Body coloured exterior mirrors
Body coloured exterior door handles
Side repeater indicators on wings
Chrome inserted door bright moulding
Chrome inserted body side moulding
Stainless steel door scuff plate
Styled roof rack
Roof mounted pole aerial
Powered sunroof with anti-trap
Mudflaps

INTERIOR

Grand grey interior colours with wood grain
Charcoal black interior colours with wood grain
Wood grain accent on fascia, console and door trim
Centre gauge cluster
Floor mats
Dashboard lower tray
Leather and wood grain automatic transmission knob
Leather manual transmission knob
Easy-to-read Super-vision cluster
Trip computer
Map pockets inside doors

SAFETY

Monocoque body with integral front & rear sub-frames to absorb frontal and offset impact and enhance NVH
Front airbags, seatbelt load limiters and pre-tensioners
Side airbags
Electronic brake-force distribution anti-lock brake system (EBD ABS)
Electronic Stability Programme (ESP) with Emergency Brake Assist (EBA) and Active Roll-over Protection (ARP)
ISO-FIX and tether anchorage for child seat
Electrochromic rear-view mirror
Rear obstacle warning system with 3 sensors
Front obstacle warning system with 2 sensors
Childproof safety door locks
Dual remote keyless entry system with burglar alarm
Immobiliser
LED Daytime running lamps
LED Front fog lamps
Rear fog lamps
Headlamp leveling to maintain maximum illumination
Speed-sensitive door locks
Door courtesy lamps
Powered windows for driver, one-touch operation
Collapsible steering column
Tyre Pressure Monitoring System (TPMS)

AIR CLIMATE

Positive temperature coefficient (PTC) heater
Dual air conditioning systems with manual controls
Dual automatic air conditioning systems with temperature sensor and outside temperature gauge
Rear vent duct for improved air circulation
Air quality control system (AQS)
Air filters to ensure interior air stays fresh

MECHANICAL

178ps 2.2 litre e-XDi diesel engine with CDPF
6-speed manual transmission with gear shift indicator
E-Tronic 7-speed automatic with Winter Mode safety feature (Mercedes-Benz)
Gearshift knob switch for more dynamic driving response
Part-time 4WD with shifting on the move
Double-wishbone front suspension with coil springs
Multi-link rear suspension system
Gas shock absorbers
80-litre fuel tank
Hydraulic power steering
Speed sensing power steering
Manual tilt steering
Foot-operated parking brake
Ventilated disc brakes on all wheels

SEATS

8-way adjustable driver's seat
Ventilated front seats
Heated front seats
7 seater with 2/2/3 seat arrangement
Removable 3 rd -row seats
Seat back pocket for rear 1 st row seat
Woven cloth upholstery
Thermoplastic polyurethane (TPU) upholstery
Geonic-printed TPU upholstery (Black)
Luxurious leather upholstery
Tilting headrest for 1 st -row seats

CONVENIENCE

2DIN MP3/CD player
7" high-resolution touch screen with audio streaming and link to rear view camera and smart phone
Car connectivity (Apple Carplay & Google Android Auto)
Front camera with 7" touch screen audio
Steering-wheel-mounted audio system controls
USB memory slot and Aux. port
Bluetooth system
RDS system
6 speakers
Blue-tinted outside door mirrors that can be electrically adjusted, folded and heated
'Eco' cruise control
Leather covered, heated steering wheel
Gas-filled struts for bonnet and tailgate
All-round tinted glass
Solar controlled glass for windscreen and front door windows
Privacy glass for rear windows, quarter panel and tailgate glass
Rain sensing wipers
Heated tailgate window
Battery saver
Deluxe centre console with cup-holder
USB charger and power outlet on the rear of centre console
Overhead console
Sunvisor with vanity mirror and illumination
Portable ashtray
Luggage hook
Toolbox in cargo bay
Sunglass holder
Windscreen wiper de-icer
Manual seatbelt height adjustment on 'B' pillar
Open tray on the inside panels of rear 2 nd row
